
David W. Hewett

*“The most effective way to manage change successfully is to create it”
Peter Drucker*

Current Activities Supporting leaders as they navigate sustainability, leadership and other organizational & strategic challenges. Using his 30 plus years of experience in the business world he is partnering with managers, leaders and organizations to achieve exceptional results in a dynamic marketplace.

Relevant Experience Dave has over 30 years of business experience, including work in all aspects of the Real Estate and Facilities industry, working for both owners and service providers. Clients have included institutional, corporate, municipal and private entities, such as Microsoft, PMC-Sierra, Pitney Bowes, Pacific Gas & Electric, United States GSA, Austin Energy and Comerica Bank. Dave has led the transitions for some of the largest real Estate outsourcing programs in the industry.

Value To Client As a problem solver, it is common for Dave to be asked to enter into an organization with a need for change management and lead the efforts to reorganize and build a team and an organization with a vision for the future. Dave is noted for his focus on leadership development, change management and vision, both at the corporate level and throughout the industry. He has served as an active leader as well as consultant at several industry associations and professional organizations.

Education University of Colorado, BS, Business, Emphasis: Organization Development
During his tenure in the Real Estate and Facilities industry Dave held the following designations:
Certified Property Manager (**CPM**) Real Property Administrator (**RPA**)
Certified Facilities Manager (**CFM**) Facilities Management Administrator (**FMA**)
